The 36<sup>th</sup> Annual Glass Show & Sale that took place October 17-18, 2009, hosted dealers from around Florida and the United States, proudly showing off awesome displays of Depression Era and 40s, 50s & 60s glass and china. The center aisle displayed the club's arrangement of elegant glass items made by the Fostoria Glass Company. Club President, Sue Holley presented a seminar each of the 2 days on the Fostoria Glass Company and glass collecting.

Our show was very well attended both days and most of our dealers reported that their sales were better than last year and they are looking forward to joining us again next year.

Our club was well represented with a great number of our members, who worked very hard to make the show a success. It's the first time I remember running out of egg salad sandwich makings on the first day of the show! Congratulations to BeBe and her kitchen and concessions volunteers for continuing the reputation of the food served at our annual show, and thanks to everyone for your help!

**Did you know?** The winner of the 3-piece console set was Ida Newcomb, one of our club members. Congratulations, Ida for winning the first-prize raffle gift for the second year in a row! O.K. Ida, was collecting 3-piece console sets in your future or are you just that lucky?

More details about the glass show and events that took place will be on the agenda for the November 23 meeting.

*Thanks to Bea Ketchens and the folks at Avonlea Antique Mall for their continued support of our club and the show. Several of the goodie bags with free show passes were given out to Avonlea customers during the weeks leading up to the show. Avonlea also allowed the club an opportunity to set up a display at the mall and to present information about the club.*

### **ATTENTION DGC MEMBERS!**

At the September DGC monthly meeting, it was decided that the DGC would participate in the November 14 & 15, 2009 Family Art Fest and Salute to the Troops at the Midtown Centre <http://www.midtowncentre.com/pages/news.aspx?itemId=72>. As you may remember, we participated in this event last year and thought it was a great opportunity to display and sell items for our members, and to give out information about our club.

I have submitted our paperwork and fees to the event planning committee and need to get confirmation from those DGC members who plan to participate during the 2-day event.

Included with this newsletter is the information that will be needed in coordinating our exhibit and sales booth. If you plan to participate, please complete the attached form and return to me no later than Friday, November 6. Our space is limited to a 10' x 10' pad, which will allow for about 6 tables if strategically placed, so it will be vitally important to know how many participants and items we will need to accommodate. Very important to get your information in ASAP!

Please contact me at [sueholley@nefsc.org](mailto:sueholley@nefsc.org) or call 612-2398 if you have any questions or need further information.

Thanks,  
Sue Holley, President
