HAPPY NEW YEAR!

Greetings for the New Year from your Board Members! We are excited about the new year and all the changes that we are in the process of making to help make our organization more effective in accomplishing our mission in the future.

Your newly elected Board Members for 2015-2016 are listed to the left of this column. Please keep the list handy so that you may contact us if you have information to share or questions about what's going on with the club.

We have met as your board to start laying out the plans for making 2015 another year of enjoyable learning experiences for you as our members and friends. Some of the programs and themes that were well received, brought good participation, and added to our learning experiences will be repeated in the schedule, but we will remain flexible to make changes when we see opportunities to enhance your membership in our organization.

Please remember that we need volunteers or recommendations for the educational program presentations! The educational programs are essential to the mission and purpose of our organization. Please contact if you would like to sign-up for an opening in the program schedule, or if you have a recommendation for a program.
